### DOUBLE 5" PREMIUM SOLID SOFFIT FOR VERTICAL APPLICATIONS

This heavy gauge soffit is excellent for use in long-span applications such as vertical siding as well as overhangs. The .048" thickness combined with a 3/4" panel projection creates a tighter, more secure lock between panels and is engineered to withstand sagging or buckling giving you assurance that once it's put up, it stays up.

- **.048" Panel thickness** with a natural cedar grain pattern
- Available solid, full vent lanced or with the Hidden Ridge® ventilation system
- Net free ventilation area per square foot:
  - Hidden Ridge® - 1.9 sq. in.
  - Full vent lanced - 8.3 sq. in.
- 3/4" Panel projection
- Solid panels can be used in sidewall applications as vertical siding
- Limited Lifetime Transferable Warranty with ColorHold® Lifetime Fade Protection

Make Norandex Builder & Remodeler Vinyl Soffit the choice for the life of your home.

- Virtually maintenance free. Save time and money on upkeep costs.
- Because it's solid vinyl, it won't blister, crack, flake, peel or rot like wood exteriors.
- A sound investment that can help increase the resale value of your home.

**COLORHOLD**  
Lifetime Fade Protection

ColorHold is a highly-durable capstock that resists fading and discoloring and is backed by a Limited Lifetime Transferable Warranty\* including Lifetime Fade Protection

# TRIPLE 3-1/3" HIDDEN VENT SOFFIT

Profile & Color Shown: Triple 3-1/3" Hidden Vent Soffit, White

NORANDEX  
**T3.3 Hidden Vent**  
VINYL SOFFIT

**5 HOMEOWNER PREFERRED COLORS**

Colors are mechanically reproduced.  
For color accuracy, please see actual  
product sample.

Triple 3-1/3" Soffit offers the Hidden Ridge® Venting System which features venting slots hidden deep in the U-grooves of the soffit panels. This provides efficient airflow for proper ventilation while maintaining the clean look of solid soffit, and helps reduce heating and cooling costs by helping maintain a more energy-efficient attic temperature.

**T3.3 SOLID & HIDDEN VENT SOFFIT**

3 - 3-1/3" exposure per panel  
12' long  
20 pcs. per ctn.  
1.92 squares per ctn.

PREMIUM VINYL SIDING & SOFFIT **DESIGNER COLLECTION**

A beautiful collection of darker, richer colors with tremendous curb appeal, providing a real value for homeowners seeking a unique darker finish that stands out and stands apart from others in the neighborhood.

**Solid Soffit unless specif can be used in ceiling applications on porches as shown above to beautifully finish the exterior of your home and because of the heavy gauge solid vinyl, you won't have to worry about unsightly sagging.**

**ALL NORANDEX VINYL SOFFIT:**

- Have matching and contrasting siding and accessories
- Never needs to be scraped, sanded or painted, leaving you a maintenance-free freshly painted appearance
- Carries a Limited Lifetime Transferable Warranty with Lifetime Fade Protection. Visit [www.norandex.com](http://www.norandex.com) to view warranty details

Proper attic ventilation is not something that should be overlooked. Excessive moisture build-up can lead to mold and mildew growth, and cause potential damage to a home's wood framing. That's why many homeowners are making the smart choice to have Norandex Vinyl Soffit installed under their overhangs.

# COMPLEMENT YOUR NEW SOFFIT WITH OTHER QUALITY EXTERIOR PRODUCTS

Your home deserves the best. That's why, in addition to vinyl soffit, we offer other top quality products to beautify and protect your home from the top down. Whether it's siding, entry doors, energy-efficient windows, trim, or metals, you can rest comfortably knowing you've finished your home with performance products that are among the best the industry has to offer.
