

PATIO DOORS

Flawless Beauty, Performance
and Design

perfeXion
by NORANDEX

patio doors

NEW CONSTRUCTION

¾" insulating glass unit
Set deep into the sash which reduces temperature transfer and condensation

Spacer system
The U-channel design reduces transfer of heat and cold and flexes with temperature fluctuations to maintain an effective seal

Patio door panels
Glide smoothly with minimal effort

Double-strength, tempered glass
For strength and safety

Fusion-welded construction
Creates a durable, weather-resistant door

Multiple points of weatherstripping
Inhibit wind and rain penetration

Premium vinyl
Will retain its beauty for years with virtually no maintenance

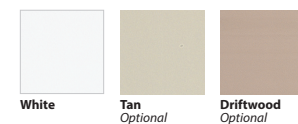

Color-matched hardware
Blends seamlessly with the window

Streamlined frame and panel
Blends with architecture of your home

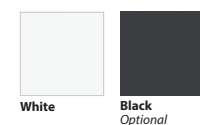

STYLES
Sliding, Narrow Frame

INTERIOR COLORS

EXTERIOR COLORS

patio doors

REPLACEMENT

Top-hung screen
Effortless operation, maximum durability and easy to take on and off; smooth-gliding screen system; three-inch thick frame

Fusion-welded frame and panel
Long-lasting strength for durability and protection from the elements; solid, unified structure; precise weld lines

Monorail system
Effortless operation and protection from air and water infiltration; elevated track rail; added barrier to keep water and dirt from getting inside

Sloped sill
Strong and durable to help keep the elements out; fiberglass overlay; neutral-colored sill to hide dirt

Design
Streamlined design with beautiful architectural details; proprietary vinyl lineals; hidden handle fasteners

Security features
Reinforced to help prevent unwanted entry; standard multi-point lock system; triple-point lock and footbolt available

Blinds
Optional between the glass

STYLES
Sliding, French Swing (White/Tan only)

INTERIOR COLORS

* Standard White extrusion exterior/Optional exterior applied coating colors available

INTERIOR WOODGRAIN LAMINATES

* Woodgrain laminates are available with standard white or can be upgraded to any of the exterior color options

EXPERIENCE OUR PATIO DOOR IN ACTION

PerfeXion Patio Doors ensure industry-leading performance, functionality and design. Some things are so obvious after the fact. Why wouldn't we build a door this way?

LASTING BEAUTY

Enhanced performance for weather protection, efficiency and strength

Superior functionality for a lifetime of effortless operation

Precise design for a product that gets all of the details right

In addition to patio doors, we offer other top quality products to beautify a home and fulfill your home remodeling needs. Whether it's windows, vinyl siding, entry doors, soffit or trim, you can rest comfortably knowing you've finished your project with performance products that are among the best the industry has to offer.
